

Help Support Talbert House While You Shop at Kroger...

Kroger is giving up to \$2,000,000 to non-profit organizations this year. Help Talbert House get its share! It's easy. If you use your Kroger Rewards card to get the sale price on groceries and earn fuel points already....now all you have to do is register Talbert House as your charity of choice. Please also encourage your friends and family to sign up as well for Talbert House!

Every time you shop for groceries and swipe your card, the agency will automatically start earning a rebate. (If you do not have a Kroger Plus card, visit the customer service desk at any Kroger store to sign up or click [here](#).)

To register, follow these instructions:

- Visit krogercommunityrewards.com.
- Click on your state under the "Please select your location" column. (If your card is already registered to a different charity, click "Sign In" to access your account and change your charity to Talbert House.)
- Click the link to "Enroll now for the Kroger Community Rewards Program."
- Sign into your account, or click the link on the right to create an account and follow the instructions for creating an account.
- Designate Talbert House as your recipient by entering the NPO (Nonprofit) number **83692** and click on "Confirm".
- To verify you are enrolled correctly, you will see Talbert House's name as the designated recipient.

Remember, purchases will not count for your group until after you register your card(s). Members must swipe their registered Kroger Plus card or use the phone number that is related to their registered Kroger Plus card when shopping for each purchase to count.
