

About Talbert House

- Talbert House is a community-wide nonprofit that operates within five service lines: Adult Behavioral Health, Community Care, Court and Corrections, Housing, and Youth Behavioral Health.
- Founded in 1965 as an experiment to integrate ex-offenders back into the community, with a budget of \$30,000 from private donations, the first halfway house program opened.
- Each year, Talbert House helps men, women, and children overcome adversity to become healthy and productive citizens through its programs in community corrections, mental health, substance use, welfare-to-work and housing.
- Talbert House's primary service area is Brown, Butler, Clermont, Clinton, Hamilton, and Warren counties in Ohio and Kenton County in Kentucky.
- Services are offered to a broad-based population with the agency's mission in mind: to improve social behavior and enhance personal recovery and growth.
- Last year, Talbert House served over 36,000 clients face-to-face with an additional 34,000 in prevention and crisis services.
- Talbert House creates innovative, evidenced-based programs that are proven to solve tough social problems that impact all members of the community.
