

## October- December 2011

for public distribution only

2600 Victory Parkway  
Cincinnati, OH 45206  
ITD.registrations@talberthouse.org

## **Quarterly Training Catalog October - December 2011**

---

*The catalog is divided into three sections:*

- 1). The General Information section explains how to register for courses and ITD general policies, such as training cost and tardiness. You are in the General Information section now.*
- 2). A quarterly Calendar summary that provides general information on what classes are being offered and when. Courses will be listed for each date they are offered.*
- 3). The third section provides specific information regarding the courses being offered, including a description, the location of the training, the instructor, and the credits being offered. Trainings in this section are listed alphabetically.*

### **GENERAL INFORMATION**

#### ***The Public and other agencies are invited to learn with us:***

Talbert House ITD is an approved provider of continuing education hours for the Ohio Social Worker Board, Ohio Counselor Board, Ohio Chemical Dependency Professionals Board and is recognized by the National Board of Certified Counselors to offer continue education for National Certified Counselors. We adhere to NBCC Continuing Education Guidelines

**Registration is available from our website at:** [www.talberthouse.org](http://www.talberthouse.org)

Any revisions to this catalog will be posted at [www.talberthouse.org](http://www.talberthouse.org)

#### ***Payment***

The Institute for Training and Development will deliver an invoice to you via email or postal mail after registration and before training.

You may mail in your cash or check payment at any time before training, or pay at the door on the day of training.

#### ***Parking***

Ample parking is available in a lot on William Howard Taft, designated "St. Anthony of Padua Church", across from the Executive Offices. Please do not park in the Executive Offices lot. Thank you for your cooperation.

### ***Special Accommodations***

If you require accommodations, please contact the ITD at 751-7747 ext. 299 to make personal/confidential arrangements.

### ***Entering the training session***

Please sign our guest roster located in the lobby to enter 2600 Victory Parkway for training. A class roster will be available in the training classroom; please sign the class roster to receive credit for your training.

### ***Cancellation and Refunds***

If you are registered for a training but find you cannot attend, please cancel your registration in writing (email is fine) at least seven calendar days before the date of the training. You can reach us at [ITD.registrations@talberthouse.org](mailto:ITD.registrations@talberthouse.org)

Refunds to be requested by writing to ITD at least two weeks before the date of training.

**No show:** The full invoice amount becomes due on late cancellation (less than seven calendar days before the date of session indicated), or if it you fail to attend an entire training for which you have registered.

Register anytime at: [www.talberthouse.org](http://www.talberthouse.org)  
See you at training!

candidates, CDCA and CSP staff

**Fee: \$50.00**

**Addiction and The Brain (SSA) ( c )**

October 25, 2011 1:00-3:45pm

**Location:** 2600 Victory Parkway  
**Instructor:** Greg Hogg, LISW-S, LCDC  
III

**Credit:** 2.75 RCH's Social Worker and  
Counselor, NBCC will be awarded upon  
completion.

**Description:** Addiction is a brain disease.  
In order to effectively prevent and treat  
substance addiction we need an  
understanding of how drugs affect the  
workings of the brain. This session will  
present a slightly more detailed  
explanation of the this is your brain on  
drugs representation of addiction.

**Moderate skill level;** CDCA and CSP  
staff

**Fee: \$45.00**

## **Addressing the Diverse needs Substance Abuse Clients (DIV) (d)**

October 17, 2011 5:30-8:45 pm  
(evening training)

**Location:** 2600 Victory Parkway, 3<sup>rd</sup> fl  
Training Room  
**Instructor:** Greg Hogg, LISW-S, LCDC III

**Credit:** .3.0 RCH's Social Worker and  
Counselor, NBCC will be awarded upon  
completion.

**Description:** This session will explore  
people's diverse backgrounds and cultures of  
those entering CD Treatment. The session  
will teach understanding, acceptance,  
tolerance and patience when assessing,  
developing an Individualized Service Plan  
and treatment implications. Role play is  
incorporated within session.

This session will explore people's diverse  
backgrounds and cultures of those entering  
CD Treatment. The session will teach  
understanding, acceptance, tolerance and  
patience when assessing, developing an  
Individualized Service Plan and treatment  
implications. Role play is incorporated within  
session.

**CDCA Skill Series: Basic skill level:** ASM,  
CDCA candidates and CDCA staff.

**Fee: \$50.00**

## **Applying Motivational Interviewing to the Supervisory Process ( s )**

November 15, 2011 9:00-12:15pm

**Location:** 2600 Victory Parkway  
**Instructor:** Greg Hogg, LISW-S, LCDC  
III

**Credit:** 3.0 RCH's Social Worker and  
Counselor, NBCC will be awarded upon  
completion.

**Description:** This session applies the key  
concepts of motivation and strategies to  
increase motivation to employee  
supervision. A model of preparing  
employees for performance change and  
reinforcing change will be presented.  
Participants will apply the model through  
use of their own case.

**Grant Writing RPT PD**

November 21, 2011 12:00 – 5:00 pm

**Location:** 2600 Victory Parkway  
**Instructor:** Marva Duvall, M.Ed, PCC-S

**Credit:** 4.5 Talbert House Credit will be awarded upon completion

**Description:** Winning grants within the non-profit arena is a competitive feat. Maintaining basic programmatic and organizational documents related to your program/agency will not only provide significant ease in compiling information needed for the grant, but being organized will also improve chances of attaining the funding opportunity. Topics to be covered within this information include researching and evaluating prospects, compiling important organizational documents, budgeting effectively and writing critical proposal components.

**Fee: \$75.00**

**Group Treatment Strategies for Substance Abusers (c) (SAP,CBT,COB)**

December 5, 2011 9:00 AM - 4:30 PM

**Location:** 2600 Victory Parkway  
**Instructor:** Gregory Hogg, LISW-S, LCDC III

**Credit:** 6.0 RCH Social Work, Counselor and NBCC hours will be awarded on completion of this training

**Description:** Group treatment with substance abusers has been effective because of the benefits of like affiliation, confrontation, support and opportunity to practice. The leader of the group is responsible to provide a safe environment, stimulate member-to-member interaction and provide a forum that allows for implementation of evidence-based practices. This session explores the principles of effective group facilitation and provides examples and practice opportunity.

**Basic and Moderate skill level:** CDCA candidates, CDCA and CSP staff

**Fee: \$100.00**

**Introduction to the Hand Test and Structural Analysis (SSM )**

November 14, 2011 8:30 AM– 4:30 PM

**Location:** 3rd Floor Training Room  
**Instructor:** Marcia Rasch, PhD

**Credit:** 6.5 RCH's Social Worker, Counselor NBCC and OPA will be awarded upon completion.

**Description:** This training is for seasoned Mental Health therapists who wish to enhance their diagnostic interviews with a proven and robust personality measure. The Hand Test is a quick and non-threatening projective measure for use with individuals of most all ages and cognitive abilities. It provides screening information that will assist the clinician in directing interviews, enhancing diagnostic decisions or indicate the need for further assessment prior to service delivery. These training services are made possible through Centerpoint Health Prevention Services and the Hamilton County Mental Health Board.

**Participants must have a Master Degree in related Behavioral health field and have had at least one graduate level course in Testing and Assessment and/or Psychological Disorders.**

**Fee: \$110.00**

**Introduction to Substance Abuse (SAP) ( c )**

October 6, 2011 9:00 –3:30 PM

**Location:** 2600 Victory Parkway  
**Instructor:** Gregory Hogg, LISW-S, LCDC III

**Credit:** 5.0 RCH, Social Worker, Counselor and NBCC will be awarded upon completion.

**Description:** This session will provide an overview of the science of addiction. It will include typical drugs of abuse in the Cincinnati area and the factors that contribute to addiction. Participants will identify the signs and symptoms of addiction & discuss ways to address substance abuse when present. The presentation will describe effective strategies to address substance use disorder, including ways to prepare a person for a referral to substance abuse treatment.

**CDCA Skill Series: Basic skill level: ASM, CDCA candidates and CDCA staff.**

**Fee: \$85.00**

**Emerging Leaders Program – Knowing Yourself: The Leader in You  
INT COM PD**

October 13, 2011 9:00AM – 4:00 PM

**Location:** 2600 Victory Parkway  
**Instructor:** Marva Duvall, M.Ed, PCC-S

**Credit:** 5.5 Talbert House

**Description:** The first step towards becoming an outstanding leader: know yourself. This workshop will help you understand yourself as a leader... so you can change, grow, and become powerfully more effective. Will discover how your values and personality govern your actions, even when you don't realize it. You'll examine the inner self you're currently bringing to your "moments of influence," discovering how your disposition, values, beliefs, and persona are contributing right now to your success -- or failure.

**Fee: \$60.00**

***Emerging Leaders Program – Leading and Influencing Others INT COM PD***

November 10, 2011 9:00AM – 4:00 PM

**Location:** 2600 Victory Parkway

**Instructor:** Marva Duvall, M.Ed, PCC-S

**Credit:** 5.5 Talbert House

**Description:** Leadership is one of the more challenging assignments one can tackle in the business world. Consider the intense pressure to produce results that keep an organization competitive and profitable. Add to the mix the changing beliefs and expectations of today's employees. Then stir in frequent and rapid change and you have an environment that can test the best in each of us. It takes a strong set of interpersonal and tactical skills to be effective in a leadership role. This active working session is designed to both identify how to develop practical techniques to positively influence work group performance. A segment of the session will be allocated to practicing.

**Fee: \$60.00**

***Living Well at Any Age (r) PD***

November 7, 2011 9:00-12:15

**Location:** 2600 Victory Parkway

**Instructor:** Dara Williams, MA, PC-CR

**Credit:** 3.0 RCH's Social Worker and Counselor, NBCC will be awarded upon completion.

**Description:** Do you think that living well is only for young people? Have you come to accept the fact that being older means that living well is out of reach? Living well is possible at any age, as long as you are willing to put forth effort to make this a reality. Participants of this workshop will discuss their definitions of living well, identify barriers to fulfilling those definitions, and learn ways to promote living well every day

**Fee: \$50.00**

***Emerging Leaders Program – Managing and Leading for Positive Service Outcomes COM INT PD***

December 1, 2011 9:00-12:15pm

**Location:** 2600 Victory Parkway

**Instructor:** Kyle Rife

**Credit:** 3.0 Talbert House

**Description:** In today's fast-paced world, the ability to pursue ambitious plans and initiatives by gaining the support of others can be a key determinant of business success. Course provides development opportunities for staff in leadership, management, supervisory and professional roles to enhance their abilities to meet overall organizational objectives while enhancing the spirit of teamwork and mutual support required to achieve team goals.

**Fee: \$50.00**

## **Mental and Emotional Fitness (r) PD**

October 18, 2011 9:00-12:15

**Location:** 2600 Victory Parkway

**Instructor:** Dara Williams, MA, PC-CR

**Credit:** 3.0 RCH's Social Worker and Counselor, NBCC will be awarded upon completion.

**Description:** Do you think exercise is only meant for physical fitness? Are you easily exhausted mentally and emotionally? Creating and maintaining a strong mental and emotional foundation is essential to having a good quality of life. Participants of this workshop will assess their mental and emotional fitness levels, examine the common pitfalls that impact our ability to be emotionally and mentally fit, and learn how to create a mental and emotional exercise routine designed to strengthen their foundation.

**Fee: \$50.00**

## **Motivational Interviewing: Encouraging Change with Substance Abusers and Other Clients (CBT, COB, INT, SAP) (c)**

November 7 and 8, 2011 9:00 AM - 4:30 PM  
Attendance at both sessions is required for course credit.

**Location:** 2600 Victory Parkway

**Instructor:** Gregory Hogg, LISW-S, LCDC III

**Credit:** 12.0 RCH Social Worker and Counselor, NBCC will be awarded upon completion.

**Description:** This series is designed to introduce the main concepts of Motivational Interviewing (evidence-based intervention for people in the process of changing). Through experiential activities, participants will begin to practice skills and identify ways to use them in working with clients.

**Fee: \$200.00**

## **Projective Assessment (SSM )**

November 28, 2011 8:30– 4:30 pm

**Location:** 3<sup>rd</sup> Floor Training Room

**Instructor:** Gene Harris, Ph.D  
Psychology

**Credit:** 6.5 RCH Social Worker and Counselor, NBCC, OPA will be awarded upon completion.

**Description:** In Psychology, a projective test is a type of personality test in which the individual offers response to ambiguous scenes, words or images which are purported to provide information about a client's personality structure and/or thought processes. This training will address the use of projective personality assessments with clients. The projective theory, basic methodology, clinical uses and specific projective tests will be discussed, including their strengths and limitations as testing instruments.

**Participants should have Independent License/license eligible AND have had graduate coursework and familiarity with Personality assessment and diagnosis.**

**Fee: \$110.00**

**Safety Strategies: Reducing the Risk of Working with Clients who may be Potentially Dangerous (SAF) (r)**

October 10, 2011 9:00 AM – 12:15 PM

**Location:** 2600 Victory Parkway

**Instructor:** Tim Murphy, B.A.

**Credit:** 3.0 RCH, Social Worker and Counselor will be awarded upon completion.

**Description:** This session will provide guidance on assessing risk factors when conducting home or field visits or when a potentially dangerous client is in your facility or office. Strategies to prevent or avoid harm and reactions to protect self will be described.

**Fee: \$50.00**

**SEXTING (r)**

December 19, 2011 9:00 – 4:00

**Location:** 2600 Victory Parkway

**Instructor:** Steve Kurz, MA, PA

**Credit:** 5.5 RCH's, Social Worker and Counselor, NBCC will be awarded upon completion.

**Description:** So, what is "sexting"? Sexting is the new rage where not only teens but adults are share sexually risqué messages and/or nude pictures of themselves or others via text or on-line. While many openly admit that they know it's wrong to sext, they feel the odds of getting caught are so low that they are willing to run the risk. In this workshop participants will learn about:

- What sexting is
- What research tells us about sexting
- The potentially devastating effects of sexting
- What the law says about sexting
- What should happen to students who sext
- How we can protect teens and children

**Fee: \$90.00**

**Social Influence and Personal Control (r) INT**

November 30, 2011 9:00 – 4:00

**Location:** 2600 Victory Parkway

**Instructor:** Steve Kurz, MA, PA

**Credit:** 5.5 RCH's, Social Worker and Counselor, NBCC will be awarded upon completion.

**Description:** **Social influence** is the process of directing some control over another's thoughts, feelings and actions. We see social influence processes take place in everyday settings, such as in leadership, management, socialization of new staff into organizations, and conformity to group norms. Psychotherapy itself is a social influence process. We also see social influence processes at work in parenting practices, group conformity, peer pressure, sales, marketing and so on.

Participants will learn:

- Fundamentals of Social Influence
- Conformity, Compliance and Obedience
- Weapons of Influence
- Principles of Persuasion
- Role of Culture and Social Structure
- Role of Social Networks
- Ethical issues in Social Influence

**Fee: \$90.00**

***Emerging Leaders Program – Strategic Thinking & Agility*** INT COM PD

December 15, 2011 9:00AM – 4:00 PM

**Location:** 2600 Victory Parkway

**Instructor:** Marva Duvall, M.Ed, PCC-S

**Credit:** 5.5 Talbert House

**Description:** Workshop provides a hands-on session that deeply engages participants in thinking strategically about their organization, the environment within which it operates, the strategies that it has embraced, and their individual roles within the organization. Will teach learners the principles and practices of agility and help foster an organization that “thinks” and acts with more urgency, responsiveness, flexibility and creativity.
