

## CURRICULUM VITAE

### AARON T. VISSMAN

**ADDRESS:** Center for Health and Human Services Research  
 Talbert House Executive Offices  
 2600 Victory Parkway  
 Cincinnati, OH 45206  
 Phone: 513-872-5863 ext. 1110  
 Website: [www.talberthouse.org](http://www.talberthouse.org)  
 E-mail: [aaron.vissman@talberthouse.org](mailto:aaron.vissman@talberthouse.org)

### EDUCATION:

- 2010-2015 *Rollins School of Public Health at Emory University, Atlanta, GA*  
 Doctor of Philosophy, Department of Behavioral Sciences and Health Education  
 Dissertation: "HIV Prevention in Transnational Communities: Developing a  
 Model of Trust and Social Influence in North Carolina"
- 2004-2007 *Graduate School of Public Health at San Diego State University, San Diego, CA*  
 Master of Public Health, Department of Health Services Administration
- 1998-2002 *University of Kentucky, Lexington, KY*  
 Bachelor of Arts, Department of Psychology; Minor, Department of Philosophy

### Pre-doctoral Training

#### *Fellowship*

- 2013-2015 Ruth L. Kirschstein National Research Service (NRSA) Pre-doctoral Fellowship  
 National Institute of Mental Health and Emory University

#### *Internships*

- 2007 Community Health Improvement Partners, San Diego, CA, USA  
 2005 Ministry of Public Health (HIV/TB) HC 41, Klong-Toei, Bangkok, Thailand  
 2000 Jesse G. Harris Psychological Services Center, Lexington, KY, USA

### *Continuing Education: Methodologies, and Statistics*

- 2018 Group Management and Leadership (*ADVANCE*)  
*The Nonprofit Leadership Institute of Greater Cincinnati*, Cincinnati Ohio,  
 2013 Structural Equation Modeling: Concepts and Applications  
*Curran-Bauer Analytics* Chapel Hill, North Carolina  
 2011 Hierarchical Linear Modeling: Concepts and Applications

2011 *Curran-Bauer Analytics* Chapel Hill, North Carolina  
Technology, Pedagogy, and Curriculum,  
*Center for Interactive Teaching* at Emory University

## PROFESSIONAL EXPERIENCE AND ADMINISTRATIVE POSITIONS:

### Academic Appointments

2016-Present **Graduate Student Preceptor**, College of Medicine, University of Cincinnati (Faculty Director: Jun Ying, PhD and Charles Doarn, MBA)

2016-Present **Graduate Student Preceptor**, College of Public Health, University of Kentucky (Faculty Director: Angela Carmen, DrPH)

2012 **Teaching Associate**, Department of Behavioral Sciences and Health Education, Rollins School of Public Health at Emory University (Faculty Co-Instructor: Richard Levinson, PhD)

2011 **Teaching Assistant**, Department of Behavioral Sciences and Health Education, Rollins School of Public Health at Emory University (Faculty Co-Instructor: Delia Lang, PhD)

2007-2010 **Research Associate**, Department of Social Sciences and Health Policy, Division of Public Health Sciences, Wake Forest University (Faculty Director and Department Chair: Scott D. Rhodes, PhD, MPH)

### Other Professional Positions

2016-present **Associate Director**, Center for Health and Human Services Research at Talbert House Incorporated, Cincinnati OH (Director: Kimberly Sperber, PhD)

2010-2013 **Graduate Research Assistant**, Department of Behavioral Sciences & Health Education, Rollins School of Public Health, at Emory University (Faculty Advisor: Hannah Cooper, ScD)

2005-2007 **Graduate Research Assistant**, Institute for Public Health, San Diego State University Research Foundation (PI: Suzanne Lindsay, PhD, MSW, MPH)

2005 **Graduate Research Assistant**, Department of Psychology, San Diego State University, University of California San Diego (PI: Georg Matt, PhD)

- 2003-2004            **Outreach Coordinator**, Homeward Bound Runaway Shelter, Brighton Center Inc. Covington KY.  
(Interim Director: Anita Prater, MSW)
- 2002-2003            **Child Care Worker**, Cabrillo Residential Psychiatric Facility (Level 14; ages 6-19) New Alternatives Inc. San Diego CA.  
(Supervisor: Chevelle Young, BA)

### **BOARD MEMBERSHIPS:**

- 2016-Present            Executive Continuous Quality Improvement Committee, Talbert House Incorporated, Cincinnati, OH
- 2014-Present            Partner and Board Member, Universal Grammar LLC, Covington, KY
- 2009-2010            Board Member, Chatham Social Health Council: STD & HIV/AIDS Prevention Education, Chatham County, NC

### **PROFESSIONAL MEMBERSHIPS:**

- 2007-present            Member, American Public Health Association, HIV/AIDS and EPI section
- 2016-present            Member, American Society of Criminology
- 2007-2008            Member, American Evaluation Association

### **AREAS OF RESEARCH EXPERTISE:**

1. Antimicrobial Adherence and the Use of Other Drugs
2. Community-based Participatory Research
3. HIV/AIDS, Hepatitis, and Sexually Transmitted Diseases
4. Latino Population Health in the United States
5. Multi-level Health Interventions
6. Opioid Overdose Education and Naloxone Distribution
7. Self-Rated Health Status and Item Response Biases
8. Theories of Reasoned Action and Cognition

**Software:** Proficient in Microsoft Office, Outlook, Mplus, SAS, and SPSS

### **RESEARCH FUNDING:**

- 2013-2015            Ruth L. Kirschstein National Research Service (NRSA) Pre-doctoral Fellowship. National Institute of Mental Health, Bethesda, MD. *HIV treatment delays among immigrant Latinos: testing a model of trust and social influence* (F31; NIH): Impact Score 10; Percentile 1.0. Financial Award Direct Cost: \$61,824.  
Role: Primary Investigator

- 2016-2017 Ohio Office of Criminal Justice Services. Edward Bryne Memorial Justice Assistance Grant. *Factors Influencing Opioid Overdose Prevention Practices in Ohio Substance Abuse and Community Corrections Programs*. Financial Award Direct Cost: \$61,991.15. Role: Co-Investigator.
- 2016-2017 Fatherhood Prevention Research Network, U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning, Research and Evaluation. *A Randomized Clinical Trial of Enhanced Coparenting Services in a Fatherhood Program*. Financial Award Direct Cost: \$100,000. Role: Co-Investigator.
- 2017-2018 Ohio Office of Criminal Justice Services. Edward Bryne Memorial Justice Assistance Grant. *A Quasi-Experimental Comparison of Opioid Overdose Prevention Programs Delivered in Correctional Facilities*. Financial Award Direct Cost: \$51,031. Role: Co-Investigator.
- 2018-2019 Ohio Office of Criminal Justice Services. Edward Bryne Memorial Justice Assistance Grant. *A Single Site Retrospective Study of Clinically Managed Withdrawal Management Services*. Financial Award Direct Cost: \$50,000. Role: Principal Investigator.
- 2019-2022 National Institute of Health, Bethesda, MD. *Optimizing HEALing in Ohio Communities (OHIO)*. (UM1; NIH). Financial Award Total Direct Cost: \$57,960. Role: Co-Investigator
- 2019-2020 Ohio Office of Criminal Justice Services. Edward Bryne Memorial Justice Assistance Grant. *A Statewide Investigation of Opioid Overdose Quick Response Teams in Ohio*. Financial Award Direct Cost: \$60,000. Role: Co-Investigator.

## **EDITORIAL & SCIENTIFIC REVIEW RESPONSIBILITIES:**

### **Ad Hoc Reviewer**

*AIDS Care; AIDS Education & Prevention; Journal of Health Care for the Poor and Underserved; The Journal of Rural Health; Patient Education & Counseling; Wake Forest School of Medicine, Clinical and Translational Science Institute*

## **COURSES TAUGHT**

1. **Co-Instructor (Teaching Associate)**, *Behavioral Sciences in Public Health* (BSHE 500), Emory University. This course provides the student with basic knowledge about the behavioral sciences as they are applied to public health. Content includes an overview of each discipline and current issues for students who are enrolled in an MPH Program,

including Epidemiology, Global Health, Health Policy and Management concentrations.  
(Senior Faculty Co-Instructor: Richard Levinson, PhD)

2. **Teaching Assistant**, *Survey Research Methods* (BSHE 544), Emory University. This course covers the basic methods necessary to implement a sample survey, including survey design, sampling techniques, questionnaire design, interviewer training, coding, editing and management of data, and descriptive data analysis and presentation for students enrolled in an MPH Program, including Behavioral Sciences, Health Policy and Management. Students are permitted to use SAS or SPSS for assignments that require statistical analysis. (Senior Faculty Co-Instructor: Delia Lang, PhD)
3. **Instructor**, *Implementing Opioid Overdose Prevention Programs* (PEER-OPS 003), Talbert House. This course provides training for certified case managers and health education staff who may implement *Post-Entry-Exit and -Recovery Opioid Overdose Prevention Programs* (PEER-OPS) in Ohio. Students are introduced to overdose epidemiology and the PEER-OPS curricula. Students are trained to: (1) interact with other staff and clients in Ohio community correctional facilities; (2) understand overdose risk factors so that participants may assist others to reduce risk; (3) recognize and respond to an overdose event; and (4) promote access to addiction medication and harm reduction resources. Students are trained on updates to group facilitation guides, and intranasal naloxone kits provided by correctional or healthcare facilities. (Faculty Co-Instructor: Kimberly Sperber, PhD)

## ONGOING AND COMPLETED RESEARCH PROJECTS:

### Talbert House

2020-present *A Statewide Investigation of Opioid Overdose Quick Response Teams in Ohio*

PI: Joseph Calvert, PhD

Funded: Ohio Office of Criminal Justice Services

- Development of protocols, analytical plans, and instruments

2019-present *Optimizing HEALing in Ohio Communities (OHIO)*.

PI: Rebecca Jackson, MD; Sub PI: Theresa Winhusen, PhD

Funded: National Institutes of Mental Health

- Intervention Design Team Member, HEALing Communities Study (OHIO)
- Collaborate with other states (NY, MA, OH, KY) on development of a Technical Assistance Guide to reduce opioid mortality rates
- Implement evidence-based opioid overdose prevention and naloxone distribution (OEND) programs in Ohio
- Increase access to medication assisted treatment for opioid use disorder (MOUD) and OEND activities in Ohio

2018-present *Single Site Retrospective Study of Clinically Managed Withdrawal Management Services*.

PI: Kimberly Sperber, PhD

Funded: Ohio Office of Criminal Justice Services

- Development of protocols, analytical plans, and instruments
- Medical chart abstraction and in-depth qualitative interviews
- Qualitative thematic analyses, longitudinal statistical analyses

2017-present *A Quasi-Experimental Comparison of Opioid Overdose Prevention Programs Delivered in Correctional Facilities*

PI: Kimberly Sperber, PhD

Funded: Ohio Office of Criminal Justice Services

- Development of protocols, analytical plans, and instruments
- Development of intervention curriculum and DVD with 4 components, 43 minutes total
- Qualitative thematic analyses, statistical analyses
- Conference presentations and publications

2016-present *Factors Influencing Opioid Overdose Prevention Practices in Ohio Substance Abuse and Community Corrections Programs*

PI: Erin Winstanley, PhD, and Kimberly Sperber, PhD

Funded: Ohio Office of Criminal Justice Services

- Development of protocols, analytical plans, and instruments
- Qualitative thematic analyses, statistical analyses
- Conference presentations and publications

2016-2018 *A Randomized Clinical Trial of Enhanced Co-parenting Services in a Fatherhood Program*

PI: Sarah Whitton, PhD, and Kim Sperber, PhD

Funded: The Fatherhood Research and Practice Network (FRPN) and U.S. Department of Health and Human Services, Administration for Children and Families, Office of Planning, Research and Evaluation

- Development of protocols, analytical plans, and assessment instruments

### Emory University

2010-2013 *HIV Treatment Delays among Immigrant Latinos: Testing a Model of Trust and Social Influence*

PI: Aaron Vissman, PhD(c)

Funded: NIMH

- Study design, quantitative analysis: confirmatory factor analysis using structural invariance models; mediation and moderation (path analysis) using structural equation models

2010-2013 *Public Housing Relocations: Impact on HIV risk and drug use*

PI: Hannah Cooper, ScD

Funded: NIDA

- Hierarchical linear modeling; social network data analysis

Wake Forest University

- 2008-2010 *Trust and Mistrust of Evidence-based Medicine among Latinos with HIV*  
 PI: Scott Rhodes, PhD  
 Funded: amfAR: The Foundation of AIDS Research
- Study design, development of protocols and assessment instruments; *Centricity* (EMR) chart reviews, management of assessment team (2 bilingual interviewers); qualitative and quantitative analysis
- 2008-2010 *Latino HIV Prevention Partnership*  
 PI: Scott Rhodes, PhD  
 Funded: National Center for Minority Health and Health Disparities (NCMHD), NIH
- Implementation of study protocols, design of assessment instruments, management of assessment team (4 bilingual interviewers)
- 2007-2010 *CBPR and the Internet: Increasing HIV Testing Through Chat Room-Based Promotion*  
 PI: Scott Rhodes, PhD  
 Funded: National Institute of Mental Health (NIMH), NIH
- Study design, development of protocols and assessment instruments; development and production of 9-minute social cognitive theory-based video used in chat-room intervention
- 2007-2010 *HIV among Rural Latino Gay Men and MSM in the Southeast*  
 PI: Scott Rhodes, PhD  
 Funded: National Institute of Child Health and Human Development (NICHD), NIH
- Implementation of study design using respondent-driven sampling (RDS), development of protocols, assessment instruments, and participant tracking procedures, management of assessment team (2 bilingual interviewers)
- 2007-2010 *Non-medical Sources for STD Treatment among Rural Latinos in the Southeast*  
 PI: Scott Rhodes, PhD  
 Funded: Centers for Disease Control and Prevention (CDC)
- Study design, implementation of respondent-driven sampling (RDS) protocols, development of assessment instruments, management of assessment team (2 bilingual interviewers), qualitative analysis
- 2007-2009 *Trabajando Juntos: Working for Health Disparity Reduction among Latinos*  
 PI: Scott Rhodes, PhD  
 Funded: National Institute of Mental Health (NIMH), NIH
- Implementation of study design, development of protocols and assessment instruments. Developed and produced an intervention DVD with 7 component dramas, 57 minutes total; qualitative analysis
- 2007-2010 *Pfizer/AIDS Care Service: Comprehensive Counseling Program Evaluation*  
 PI: Scott Rhodes, PhD  
 Funded: Pfizer Foundation
- Implementation of study design, development of protocols and assessment instruments; quantitative analysis

San Diego State University, Institute for Public Health (Research Assistant)

2005-2007 *Life After HUD-Assisted Transitional Housing*

PI: Suzanne Lindsay, PhD

Funded: US Department of Housing and Urban Development

- Implementation of study design, development of protocols and data collection including in-depth interviews and provider chart-reviews

2005-2006 *Regional Task Force on the Homeless (RTFH): Sharing the San Diego Story*

PI: Suzanne Lindsay, PhD

Funded: Alliance Healthcare Foundation

- Development of assessment instruments and data analysis. Survey instruments continue to be used in the RTFH annual enumeration project

2005-2006 *Peace Medics Nigeria, Pilot Program Evaluation*

PI: Suzanne Lindsay, PhD

Funded: Fred J. Hansen Institute for World Peace

- Qualitative and quantitative data analysis, and evaluation report:

Eisele O, Benroth R, **Vissman AT**, Lindsay S. Peace Medics Nigeria: Evaluating the effectiveness of a health-peace initiative for conflict prevention between Muslims and Christians. Pilot Program Evaluation Report, June 2006.

San Diego State University, Department of Psychology (Research Assistant)

2004 *Clean Car Study: exploring the impacts of second and third-hand smoke*

PI: Georg Matt, PhD

- Data collection, including biological samples

*Healthy Homes Study: exploring the impacts of second and third-hand smoke*

PI: Georg Matt, PhD

- Literature review of smoking policies for day-care facilities in CA

Brighton Center Incorporated, (Outreach Specialist)

2003-04 *Street Strategies: to Combat Child Homelessness*

Federal Domestic Assistance Number: 93-557

- Distributed personal health kits and informational resources to displaced and homeless adolescents and adults; conducted point-of-contact risk assessments

2003-04 *Safe Place Program*

- Conducted site audits and trained *Safe Place* volunteers to engage displaced and abused children and adolescents
