## 2021 MAKE CAMP POSSIBLE

# About Camp

Camp Possible is an individualized, therapeutic-based summer program for children ages 6-13 who struggle with behavioral health challenges and need a safe, structured and stable environment, not just when school is in session.

Campers attend for six weeks during their summer break. They participate in traditional and non-traditional group therapy sessions which provide opportunities to practice new skills during pro-social camp activities. They learn skills such as anger management, self-esteem, peer relations, taking direction, interacting with adults and more.

It costs \$1,500 per child to attend camp, which includes the cost of pro-social activities, meals and transportation which are unfunded.

Because over 96% of the children who attend Camp Possible are low-income, there is no cost to attend.

## How can you help?

- Sponsor the event
- Sponsor a child to attend Camp Possible
- Sponsor a pro-social outing, transportation or meal
- Join the committee
