Talbert House Launches New Website

CINCINNATI— Talbert House is pleased to announce the launch of its redesigned, responsive website, Talberthouse.org.

The agency launched its new website on January 26, 2017. It features a new layout optimized for all devices - desktop, tablet, and mobile - making it easier to access services, find resources, obtain employment, and make donations. The site includes an overview of services for adults and youth needing assistance in areas of mental health, addiction, employment, and housing services.

The new website design was created by Legend Web Works, a Cincinnati-based web design company. Feedback is welcomed via the Contact Us page on the site.
