**Talbert House honors Louis & Louise Nippert Charitable Foundation**  
*The Foundation has received the Richard Shenk Visionary Award*

CINCINNATI— The Foundation for Talbert House hosted its annual luncheon Tuesday, November 13 to celebrate and thank the thirty-one 21<sup>st</sup> Century Society members for their generous commitment to the Agency and community. During the event, the Richard Shenk Visionary Award was presented to the Louis & Louise Nippert Charitable Foundation for being a visionary in philanthropy and making significant contributions to our community.

The Louis & Louise Nippert Charitable Foundation has been a generous donor of Talbert House for more than a decade. In recent years, they have given to Talbert House programs including the Fatherhood Project and Fatherhood events, and Camp Possible. Last year, the Foundation awarded a grant to Parkway Center to assist in providing case management for homeless men and veterans as well as a safe and secure environment for residents.

“We are very grateful to Louis and Louise Nippert for their generosity to Talbert House over the years and throughout the community. Their philanthropic spirit has made a true difference in the lives of many throughout Greater Cincinnati,” said Talbert House President and CEO, Neil Tilow.

The Foundation for Talbert House was established to ensure the Agency’s services are available in the future. The 21<sup>st</sup> Century Society recognizes those who have made this thoughtful and long-term commitment.
