Talbert House Transitions 36 Staff and 1,000 Clients from Central Community Health Board

Kamaria Tyehimba, Vice President of Behavioral Health, led the transition

As a regional diversity leader in behavioral health and chemical dependency treatment in the Greater Cincinnati area, The Central Community Health Board of Hamilton County (CCHB) offered services in behavioral health treatment and prevention with adult outpatient services, community psychiatric supportive treatment, crisis stabilization, day treatment and opioid treatment programming.

CCHB provided specialized behavioral health services to predominately African American communities, especially those underserved by traditional health care systems. The mission was to provide leadership and comprehensive behavioral health programs for the community to achieve their greatest potential and well-being. In 2019, CCHB joined with Harbor, a national mental health provider, based in Northern Ohio.

In the fall of 2022, Harbor, Inc. made the decision to discontinue services offered in Hamilton County by the Central Community Health Board (CCHB) effective December 16, 2022. Harbor approached Talbert House, as both organizations offer mental and behavioral health services, to plan for a seamless transition and ensure current CCHB clients would be able to continue receiving treatment. Careful planning allowed almost 1,000 CCHB clients to transition treatment services to Talbert House with minimal disruption. Similarly, 36 CCHB employees were offered the opportunity to maintain employment and continue serving their respective clients through Talbert House.

With a very short timeline, a team of professionals across clinical, compliance, human resources and facilities departments directed the strategic transition and integration of CCHB staff and services such as the Opioid Treatment Program (OTP), Mental Health Crisis Stabilization, substance use outpatient services and residential family care homes.

Talbert House Earns 2023 Top Workplaces USA Award

Talbert House has earned the 2023 Top Workplaces USA award, issued by Energage, a purpose-driven organization that develops solutions to build and brand Top Workplaces. The Top Workplaces program has a 15-year history of surveying more than 20 million employees and recognizing the top organizations across 60 markets for regional Top Workplaces awards.

Top Workplaces USA celebrates organizations with 150 or more employees that have built great cultures. Over 42,000 organizations were invited to participate in the Top Workplaces USA survey. Winners of the Top Workplaces USA list are chosen based solely on employee feedback gathered through an employee engagement survey, issued by Energage.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

YPs Raise \$15,000 for Affordable and Supportive Housing

Talbert House Ambassador Board celebrates Valentine’s Day with fundraiser

The Talbert House Ambassadors raised over \$15,000 through Home is Where the Heart is. Funds support the Agency’s Housing service line to provide affordable and supportive housing for adults, veterans and families who are overcoming barriers such as mental health, poverty and domestic violence.

The group of young professionals support the Agency through volunteering, fundraising and advocacy in an atmosphere that promotes social connections and professional networking.

Talbert House Receives 3-Year CARF Accreditation

Talbert House received a Three-Year Accreditation from the Commission on Accreditation for Rehabilitation Facilities (CARF) for mental health and addiction treatment for children and adults, integrated primary care services, housing and community care services such as prevention and crisis response. The Agency has been accredited through CARF since 2004.

Talbert House is committed to delivering high-quality services to clients. The Agency is equally committed to maintaining a high level of quality standards for business practice. Accreditation is evidence that an organization has demonstrated its commitment to encouraging feedback, continuously improving services, enhancing performance and managing risk. Clients and their families can be confident that services will be focused on their unique needs.

CARF International is an independent, nonprofit accreditor of health and human services providers in the areas of Behavioral Health, Child and Youth Services, Employment and Community Services, Medical Rehabilitation, Opioid Treatment Programs and other services. CARF assists service providers in improving the quality of their services by applying sets of quality standards during an on-site survey.

CARF accredited services and programs have undergone an in-depth review of its services and demonstrated substantial conformance to the CARF standards during the on-site survey. The service or program has demonstrated its commitment to delivering quality services that focus on your needs and preferences. For more information about CARF International, the standards, or the survey process, visit www.carf.org.

Talbert House Receives Spencer Award

The Cincinnatus Association hosted the Eighth Annual Donald and Marian Spencer Spirit of America Awards Dinner, honoring five Cincinnati area nonprofits and businesses promoting diversity and inclusion. Named after Cincinnati's "First Couple of Civil Rights," the Spencer Awards celebrate the couple's achievements and honors nonprofits and businesses who exhibit conspicuous and enduring contributions to promoting greater inclusion and diversity in the community.

Talbert House was honored beside Housing Opportunities Made Equal, Price Hill Will, Women Helping Women and GE Aerospace.

Founded in 1920 Cincinnatus Association has a long legacy of working to improve the quality of life for Greater Cincinnatians.
